## Panorama '79

The Panorama Staff would like to thank you for supporting our yearbook. The yearbook takes lots of hard work to put together and lots of time spent doing it. The photos are taken by our photographer Ben Meyers and also from the Panorama Staff. We the Panorama Staff would also like to thank our advisor Mrs. Smith for all the hard work she has done for us. The Seniors of the Panorama Staff wish the best of luck for the on coming underclassmen for next years yearbook.

This year is the first time that we have used color. We also have added four extra pages. This brought our cost close to \$3000 and was the reason that the '79 Panorama cost \$1 more this year. The Panorama Staff hopes you will enjoy our color section in particular. Remember this book is only as good as the help and support we receive on the staff.
